November 2018

Volunteer, Give, Promote!

What we have accomplished this year:

Our Archivist/Museum Director has led volunteers in documenting the collections in the Museum and Archive, continuing the work done for the **Institute of Museums and Library Services Museums for America Grant, 2013-2015**. Progress has been made, but we need more volunteers to continue that work.

Volunteer Janet Gatz has finished documenting condition of the Park Forest Reporter in an Excel chart, and has gone through donated copies to add missing issues and articles and to replace worn or torn pages. She has shifted the papers into boxes received from the NEH-PAG grant.

Five people and the Committee for Non-partisan Local Government were honored at our Hall of Fame Induction. "Boomer Toys & Dolls" exhibit was on display in the museum for a year. Dr. David Golland spoke on "The Great Migration" in February. Neil Whitham entertained at our Volunteer appreciation Ice Cream Social hosted with Matteson Historical Society. Slides on "Early Park Forest" were shown and exhibits are set up in the museum for the 70th Anniversary of Park Forest. Arnold DeLuca spoke on his life and contributions to Park Forest from 1950-1960, illustrated with scans made of his 5 scrapbooks. **February 2, 2019 we are holding a fundraising luncheon in honor of the 70th Anniversary of Park Forest and 34th Anniversary of the Society. Invitations will be sent out just after Christmas.**

The deadline for Hall of Fame nominations is December 31, 2018, ceremony, April 7, 2019.

In February, we worked hard to save the 1950s Park Forest House Museum from what could have been devastating ice flow leaks. The museum had to be closed for 10 days. Collections were moved to four different spaces in St. Mary's, and the rest covered by sheeting. 70th Anniversary of Park Forest displays will be up all year. The museum always tells the story of what it was like in Park Forest in its first five years and how it was built. "Step Back into a 1950s Christmas" with a display for Hanukkah and accomplishments of Jewish residents opens December 1. It makes an Incredible shared experience for families.

The Village of Park Forest has offered the Society a seventh \$5000 Matching Grant Challenge.
